Scholarships may be awarded in amounts from \$500 to \$5,000 a year. There is a limited number of scholarships available and not everyone who applies for a scholarship will receive one, even if they meet all the requirements. Students will receive a disbursement check of half the scholarship amount prior to the first semester and another disbursement check for the remaining amount after all reporting and GPA requirements have been satisfied. The check will be mailed to the address on this form unless another one is provided.

REPORTING

Upon being awarded the scholarship, applicants must submit copies of their report card/online transcript and receipts for books purchased both semesters of the year for which he/she was awarded the scholarship. Failure to do so will result in a cancellation of the scholarship. All funds will then need to be returned to Starfish Learning Center.
